

The Secret of Good Coffee

Even the best housekeepers cannot make a good cup of coffee without good material. Dirty, adulterated and queerly blended coffee such as unscrupulous dealers shovel over their counters won't do. But take the pure, clean, natural flavored **LION COFFEE**, the leader of all package coffees—the coffee that for over a quarter of a century has been daily welcomed in millions of homes—and you will make a drink fit for a king in this way:

HOW TO MAKE GOOD COFFEE.

Use **LION COFFEE**, because to get best results you must use the best coffee. Avoid your **LION COFFEE** rather fine. Use "a tablespoonful to each cup, and one extra for the pot." First mix it with a little cold water, enough to make a thick paste, and add white of an egg (if egg is to be used as a settler), then follow one of the following rules:

- 1st. **WITH BOILING WATER.** Add boiling water, and let it boil **THREE MINUTES ONLY.** Add a little cold water and set aside five minutes to settle. Serve promptly.
- 2d. **WITH COLD WATER.** Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.
3. **Don't boil it too long.**
4. **Don't let it stand more than ten minutes before serving.**
- DON'TS** Don't use water that has been boiled before.

TWO WAYS TO SETTLE COFFEE.

- 1st. With Eggs. Use part of the white of an egg, mixing it with the ground **LION COFFEE** before boiling.
- 2d. With Cold Water. Instead of eggs. After boiling add a dash of cold water, and set aside for eight or ten minutes, then serve through a strainer.

Insist on getting a package of genuine **LION COFFEE**. Prepare it according to this recipe and you will only use **LION COFFEE** in future. (Sold only in 1 lb. sealed packages.) (Lion-head on every package.) (Save these Lion-heads for valuable premiums.)

ALL LEARNING.

There are 20,000,000 wage earners in America. After twenty-five years of aggressive organizing, only 1,500,000 have joined labor unions, but the walking delegate tries to make the busy merchant, who hasn't time to look the matter up, believe that every wage earner in his town is a member of a union and will take his trade away from the merchant unless he puts a union sign in his window. But it does not work any more; the people are all learning that not to exceed 5 per cent of the wage earners in any town in America belong to unions, and not five per cent of the union members themselves believe in the union label, which is but a modified form of the illegal boycott.—Ex.

Retort of a Bachelor.

Bliss Carman, the poet, tells of a conversation that took place between a Boston woman of uncertain age who is an advocate of women's suffrage and an old bachelor who, in order to avoid an argument with the woman on the subject of her hobby, complacently acquiesced in the truth of the assertions made by his companion.

"But, sir," sternly remarked the spinster, "your admission is anything but creditable to you. What, for instance, have you ever done for the emancipation of women?"

"Madam," responded the old man, with a polite smile and bow, "I at least have remained a bachelor."—Sunday Magazine.

A JUDGE'S WIFE

PAIN IN THE BACK AND SIDE

Quickly Cured by a Short Course of Pe-ru-na.

MRS. MINNIE E. McALLISTER, from 1217 West 33d street, Minneapolis, Minn., as follows:

"I suffered for years with a pain in the small of my back and right side. It interfered often with my domestic and social duties and I never supposed that I could be cured, as the doctor's medicine did not seem to help me any."

"Fortunately a member of our Order advised me to try Peruna and gave it such high praise that I decided to try it. Although I started in with little faith, I felt so much better in a week that I felt encouraged."

"I took it faithfully for seven weeks and am happy indeed to be able to say that I am entirely cured."

"Words fail to express my gratitude. Perfect health once more is the best thing I could wish for, and thanks to Peruna, I enjoy that now."

Pain in the back, or on the right side. How often a physician hears this complaint!

Over and over we hear women say: "I have a pain in the small of my back. I have a pain in my right side, just below the ribs."

These symptoms indicate pelvic or abdominal catarrh.

They indicate that the bowels are not acting properly—that the liver is out of order—that the pelvic organs are congested.

Pelvic catarrh—that is the name for it.

Peruna cures pelvic catarrh, when all of these symptoms disappear.

The catarrh may be all in the abdominal organs, when it would be properly called abdominal catarrh.

At any rate, it is one of those cases of internal catarrh which can be reached only by a course of treatment with Peruna.

We have on file thousands of testimonials similar to the above. It is impossible here to give our readers more than one or two specimens of the number of grateful and commendatory letters Dr. Hartman is constantly receiving in behalf of his famous catarrh remedy, Peruna.

MRS. MINNIE McALLISTER.

Mrs. Carrie King, Darlington, Mo., writes:

"I have suffered for years with biliousness, and kidney and liver trouble."

"If I caught a little cold, the pains were increased and backache and headache were of frequent occurrence."

"However, Peruna cured me—twelve bottles made me a healthy woman."

Rubber in the Philippines.

Among the valuable industries which American enterprise may develop in the Philippines, Consul General Williams, at Singapore, thinks is the cultivation of rubber. There is now much activity in this cultivation in Ceylon, Java, Sumatra, Borneo and the Malay Peninsula, but the Philippines, in Mr. Williams' opinion, possesses conditions of soil and climate better suited for the growth of rubber trees than do any of the places above named, and he urges that Para rubber plants be introduced into those islands.—Youth's Companion.

Private Car Lines.

The railroads seem very willing to have the private car lines brought under the jurisdiction of the Interstate Commerce Commission. A railroad President is authority for the statement that lines are paid mileage, without discrimination, and the question of excessive charges is a matter for the shipper to settle with the car lines, so long as there is no law to govern their rates. Car mileage paying has been decided to be as legal as the payment of rental for property.
